3. Special Management Training for TSD

Representatives of the Management Training Faculty have met with representatives of TSD to discuss the possibilities of special management training for a group of 18 TSD employees who are college-trained technicians. The purpose is to introduce the group to current managerial concepts as an augmentation of TSD's internal training program.

4. Air Force Students React Favorably to Vietnamese PAI

The Air Force has advised us that the first group of 24 students who completed our Vietnamese PAI found it challenging. Some went so far as to say it was excellent; some rated it outstanding. This is the commercially produced course which the Agency made available to the Air Force earlier this year.

5. Research Topics from Senior Officer School Candidates

Proposed research topics from some of our students at the Senior Defense Schools have been sent to the parent offices and to OS for approval.
